What we confirm individually

- rum direction, tasting rhythm and level of detail
- package, timing, group size and venue context
- pairing, cocktail element and guest takeaway
- operational fit for bar timing, service pace and guest profile
- final total after a short inquiry

ents

Total after conversation

Per-guest package logic is clear. Final total follows date, group size and scope.

BACK TO PROJECT HERO

Can it include a cocktail?

- Yes. A cocktail can show the use of a selected rum style and close the tasting format.

How do we ask for a quote?

- Send the date, venue, guest count, event language and expected format. We will return with scope and questions.
